

Wide world - weather

sun cloud rain snow wind fog sun
 rain cloud rain cloud sun rain
 cloud sun fog wind snow wind fog sun
 sun cloud rain snow wind fog sun
 cloud sun fog wind snow rain cloud
 cloud sun fog wind snow rain cloud

How many different kinds of weather can you think of?
 How can each type be useful?
 Draw a picture of each kind (use the pictures around the edge if it helps), then write why each type of weather is useful or discuss your ideas with your group.
