## RETOPEA: Promoting Religious Peace and Tolerance through History: Resources

### RETOPEA Website

The RETOPEA homepage <https://retopea.eu/s/start/page/home> includes links to two short videos explaining the project, an animation aimed at young people themselves and also an introduction intended for teachers, youth leaders and researchers.

The website is in multiple languages – for the English version click on ‘Discover it Here’. There are also alternative introductions for teachers and researchers.

For a direct link to the clippings collection use <http://retopea.eu/s/en/page/clippings> and for examples of the docutubes (short films) already made by young people around Europe see <http://retopea.eu/s/en/page/docutubes>
